

Mason Marching Band and Guard

Video Slideshow DVD!

- Documenting the Marching Band and Guard's journey from Band Camp to Football Games, to the BOA Championship, this video is shown at the Awards Ceremony at the end of the Band season.
- Photos highlight our Band and Guard members in their efforts to create an amazing on field performance, and the friendships they gain along the way.
- It's a fun recollection of the experiences our kids have had throughout the year.
- The video runs 10-12 minutes and contain mostly candid photos (and occasionally some video) of the performances and of the kid's reactions to their achievements.
- DVD's are \$5 each and will be available for pickup at my home or I can deliver to school for pickup at the front desk.
- If you would like to order a DVD, please use the form below. Cut off and mail with payment to the address listed. Order forms will also be available at the Awards Ceremony, with payment due at the time of ordering.
